Why VP?

As healthcare continues to shift toward large corporate systems, your Private Practice needs every advantage you can get! VP Billing is here to help you build a thriving Practice so that you can continue to deliver the highest and best care to you patients!.

At VP Billing, we go beyond traditional billing - we serve as your Executive Insourcing partner, much like a fractional CFO for your revenue cycle. Unlike outsourcing, we are deeply invested in your success, providing the strategic insight and financial advocacy your practice needs to thrive. With 24+ years of experience, we deliver seamless, high-level Revenue Cycle Management, ensuring maximum reimbursements, efficiency and financial stability - all with the personalized care of a C-Suite level of client care provided to you, the Physician client!

Frank Pesce, CEO

Drawing from his early career on Wall Street, Frank Pesce blends high-level business strategy with entrepreneurial vision, leveraging his expertise in management and leadership to drive VP Billing's mission of providing healthcare practices with top-tier revenue cycle solutions and personalized client service.

Viviana Pesce, COO

With over 20 years of hands-on experience in medical billing and practice management, Viviana Pesce has transformed her deep industry knowledge and passion for operational excellence into a leadership role that ensures VP Billing delivers seamless, high-quality financial solutions tailored to the unique needs of healthcare providers.
